

Do you have a family member with a disability?

Since April 2012, OCSC has hosted four Family Forums in London. Please join us on Thursday, April 9th for the ***Fifth Family Forum***.

We will have a presentation from Planned Lifetime Networks (PLN) - Waterloo Wellington Oxford. Planned Lifetime Networks helps families to plan a safe, secure and quality future for their family members living with a disability. PLN assists in the development of a personal or social support network of committed friends in relationship with the person with a disability and each other.
