

Do you have a family member with a disability?

Please join us in a morning of discussion and action!
How can we re-ignite a responsive network of people with disabilities, families and service providers to lobby for and promote citizenship for all people?

- Welcome and Introductions
- History of OCSC and overview of the last three years
- Facilitated conversation about issues affecting people and families
- Actions and next steps

Advocating for Change, Together!

“The Coalition (OCSC) was initiated by a group of developmental service providers with a common purpose: to maintain choice and flexibility in the delivery of our social services and to ensure that the voices of individuals, families and service providers are heard within local, regional and provincial discussions on issues affecting those who receive services and those who are seeking services and their families.”
